The Church of the Nazarene has been able to expand internationally at an exponential rate. From modest beginnings in 1908, today the church has multiplied into 160+ countries of the world. This includes a number of countries where the church operates underground and leaders share the gospel at great personal risk. Weekly, in the Church of the Nazarene, we start 27 new churches. Weekly, we have 2,872 new people join the Church. Nazarene churches have been multiplying at this rate every week for the last 10 years!

Our church name has both biblical and historical roots. The movement of God through the people of God is not centered in just an organization but in a person – Jesus the Nazarene! Innovation has always been a hallmark of the Nazarene movement. Our church minimums are worship, community, accountability and mission.
