

Dear Nazarene Church,

I have attended breakfast and a had couple conversations and meetings with the preacher, I do not know his name, but he helped me get out away from Illinois and took me to Missouri to a friend's house.

My name is Hunter Lee Ellis, I'm in Pontiac Correctional Center. I caught my case in Anna, IL in my hopes of writing this letter. I just received an application for an Oxford House in Peoria, IL. Their address is P.O. Box 9824. I hope this letter gets to the preacher of Nazarene, who will remember I'm a respectful young man, just suffered from addiction. I am trying to find the funds for a bed reservation in the Oxford House. If there is any way I could receive help with payment, I would be blessed. I don't have any family, my mother just passed. I have relied on her for as long as I can remember.

You can contact Oxford House in Peoria, IL. I don't have # but the email address is reentryil@oxfordhouse.us

Please consider me worthy and when I'm fully out of prison I can contact y'all at 618-833-6702, that is the phone # I have for y'all.

God Bless, I would appreciate Y'all's help.
